

CAMPING Scavenger Hunt

Welcome to PGE Parks! You can find a lot of interesting things while camping with us — from cool insects to neat plants, fun outdoor activities to new friends. This scavenger hunt activity card has 24 symbols showing items you might find while visiting a PGE park. Hunt for each item and cross them off on this card as you go along. Players can “win” by filling the card completely or by finding the most number of items within a set amount of time. Families can create their own prizes, such as camping-related toys, treats or DIY coupons (for example: **1 extra s’more** or **get-out-of-a-chore-FREE**).
