

RFP QUESTIONS & ANSWERS

RFP # PGE01-GID05-SH-007 for developing a website (microsite) for the Warm Springs Power Pathway Project

RFP QUESTIONS			RFP ANSWERS		
#	Supplier Questions	Question Date	PGE Answers	Answer Date	RFP Update Required (Y/N)
31	We don't see any reference to the photo simulation task in the fixed price table on page 24. Is this intentional, and should we include photo simulation costs as optional?	June 12, 2025	Please include the charges related to photo simulations in deliverable #3, "Photo and video assets to be used on the website", described on page 24 of the RFP.	June 16, 2025	N
32	Would PGE be able to grant an extension of six business days? This would result in a due date of June 26.	June 12, 2025	Unfortunately, PGE cannot extend the solicitation closing date. The solicitation closing date remains June 18, 2025, at 2:00 P.M. PDT.	June 16, 2025	N
33	Translation services for video - Does Spanish language translation need to be provided by voice over, or is closed caption text acceptable?	June 12, 2025	PGE will provide the translated content in Spanish.	June 16, 2025	Y
34	Translation services for website - Is using Google Translate sufficient, or do we need a translation service?	June 12, 2025	PGE will provide the translated content in Spanish.	June 16, 2025	Y
35	Page 29 of the RFP states that "the Offeror must be licensed to provide web development and creative services for sharing information, facilitating stakeholder and public engagement." Can PGE be specific about what license they are expecting?	June 12, 2025	The scope of this Project is web development and creative services for developing information that will be used by PGE to facilitate stakeholder and public engagement. PGE expects that the Offeror has any appropriate licenses (if required) to provide these services, in their respective State.	June 16, 2025	N
36	Can Annex H - Master Purchase Agreement Template be provided? Are we able to use our existing MSA for this work?	June 12, 2025	A copy of Annex H - Master Purchase Agreement Template is on PGE's website: PGE Buys: Find Solicitation Opportunities PGE . Please scroll down to the banner titled, "PGE01-GID05-SH-007 - Develop a website (microsite) for the Warm Springs Power Pathway Project." No. Since this Project will be federally funded, the winning Offeror must enter into a new Purchase Agreement, which includes federal terms and conditions.	June 16, 2025	N
37	How many reviews are expected for Overview and Segment videos, and how long do they need to complete reviews?	June 12, 2025	Please refer to Section 10, "Deliverables and Acceptance Criteria" on page 19 of the RFP.	June 16, 2025	N
38	Section 3.7 of the RFP on pages 16-17 asks the contractor to develop a website/microsite that must include the items listed in 3.7(a) through 3.7(i). Can PGE confirm that all items listed would be developed as part of this task order?	June 12, 2025	Yes, those are all components of the website/microsite.	June 16, 2025	N
