

# Claim your rebate and start earning with the Smart Charging program!

You're almost there – just connect your EV charger to the Smart Charging program to receive your enrollment rebate(s) and start earning ongoing bill credits.

## Step 1:

Activate your ChargePoint Home charger [chargepoint.com](https://www.chargepoint.com)

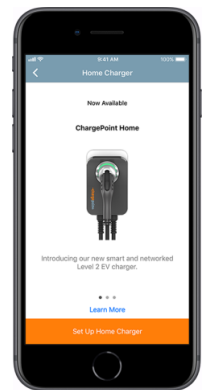

You may have already done this! If so, skip to Step 2.

- **Turn on Bluetooth and Wi-Fi on your phone.**  
(Stand close to the charger to make sure you can connect)

- **Download the ChargePoint app**, open it and create an account, if you haven't already.
- Once you're in the app, click "Home Charger" on the Main Menu, then **select "Set Up Home Charger."**
- Now click **"Activate"** and follow the instructions in the app.

## Step 2:

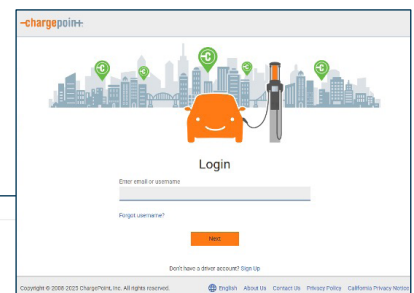

Connect your charger to the PGE Smart Charging program

- Scan the QR code or use this quick link [portlandgeneral.com/chargepoint-login](https://portlandgeneral.com/chargepoint-login) to access the Chargepoint login page.
- Log in to your account and **click the "Request" button**
- That's it — you're good to go!
