Welcome to our update of articles published in the International Journal of Public Health (IJPH) and Public Health Reviews (PHR) in June 2026, with one article from each journal highlighted as the Editor's Choice.

IJPH and PHR are the independent society journals of the non-profit Swiss School of Public Health (SSPH+). The journals are based in a fully independent Editorial Office and operate a rigorous double blind peer review process.

Articles Published in PHR - June 2026

Editor's Choice
