The Swiss School of Public Health (SSPH+) presents a monthly update of articles published in the *International Journal of Public Health* (IJPH) and *Public Health Reviews* (PHR), with one article from each journal highlighted as the Editor's Choice.

IJPH and PHR are the independent society journals of the non-profit Swiss School of Public Health (SSPH+). The journals are based in a fully independent Editorial Office and operate a rigorous double blind peer review process.

Articles Published in PHR - October 2025

Editor's Choice
