# — Dimout & Blackout Collection

# Versatile range

Vanelli offers a wide selection of DIMOUT-fabrics in a range of designs and textures that effectively block the light from entering the room

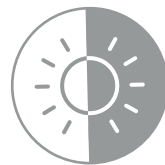

## Highlights

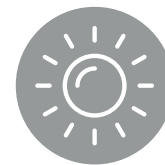

Vanelli DIMOUT fabrics feature an elegant drape with a dim out performance of up to 99%.

Our heavier blackout fabrics can block light up to 100%.

Lighter dimout fabrics reduce the usual light transmission from 40% to 1%.
