

Notice to Security Holders
with regard to
Securities
of Goldman Sachs Bank Europe SE and/or Goldman, Sachs & Co. Wertpapier GmbH

Goldman Sachs Bank Europe SE has become aware that due to a technical error for the Turbo Certificates and Trader Certificates specified in the Annex to this notice (the “**Securities**”) which were originally issued by Goldman, Sachs & Co. Wertpapier GmbH and have been transferred to Goldman Sachs Bank Europe SE on 22 October 2021, provided that their term had not ended before 22 October 2021, the regular adjustment subsequent to a dividend payment on the underlying has not been done correctly on the Ex-Dividend-Dates mentioned in the Annex as prescribed under the Conditions of the Securities.

For the Securities listed in the Annex Part 1, the Strike and/or the Knock-Out Barrier (each as applicable) have been adjusted as of 19 January 2022 (the “**Re-adjustment Date**”) in order to ensure that going forward the Securities develop as if the regular adjustment on the respective Ex-Dividend-Date had been correctly made.

In case of Securities listed in the Annex Part 2, the term of which has expired prior to the Re-adjustment Date, and in case investors are no longer invested in Securities listed in the Annex Part 1, Goldman Sachs Bank Europe SE and/or Goldman, Sachs & Co. Wertpapier GmbH (in relation to Securities whose term had ended prior to 22 October 2021) offer a compensation in the case an investor had any disadvantage by the incorrect adjustments under the conditions as follows:

An investor may have a right to a compensation payment if it held one of the Securities on the close of business on the Business Day before the respective Ex-Dividend-Date and either:

- (a) the term of the Security has expired before the Re-adjustment Date (relevant for Securities listed in the Annex Part 2), or
- (b) the investor sold the Security before the Re-adjustment Date (relevant for Securities listed in Annex Part 1 and Part 2 as the case may be).

Please contact zertifikate@gs.com for further information and in order to get confirmation on the compensation.
