

PROHIBITION OF SALES TO EEA RETAIL INVESTORS – The Securities are not intended to be offered, sold or otherwise made available to, and should not be offered, sold or otherwise made available to, any retail investor in the European Economic Area. For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (as amended, "**MiFID II**"); (ii) a customer within the meaning of Directive (EU) 2016/97, as amended, where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in Regulation (EU) 2017/1129 (as amended, the "**EU Prospectus Regulation**"). Consequently, no key information document required by Regulation (EU) No 1286/2014 (as amended, the "**EU PRIIPs Regulation**") for offering or selling the Securities or otherwise making them available to retail investors in the European Economic Area has been prepared and therefore offering or selling the Securities or otherwise making them available to any retail investor in the European Economic Area may be unlawful under the EU PRIIPs Regulation. Notwithstanding the above, if the Issuer subsequently prepares and publishes a key information document under the EU PRIIPs Regulation in respect of the Securities, then the prohibition on the offering, sale or otherwise making available the Securities to a retail investor in the European Economic Area as described above shall no longer apply in relation to any member state whose requirements for a key information document in relation to the relevant Securities have been satisfied.

PROHIBITION OF SALES TO UK RETAIL INVESTORS – The Securities are not intended to be offered, sold, distributed or otherwise made available to, and should not be offered, sold, distributed or otherwise made available to, any retail investor in the United Kingdom ("**UK**"). For these purposes, a retail investor means a person who is neither:

- (a) a professional client, as defined in point (8) of Article 2(1) of Regulation (EU) No 600/2014 as it forms part of UK domestic law by virtue of the European Union (Withdrawal) Act 2018 (as amended, the "**EUWA**"); nor
- (b) a qualified investor as defined in paragraph 15 of Schedule 1 to the Public Offers and Admissions to Trading Regulations 2024 (the "**POATRs**").

Consequently no key information document required by Regulation (EU) No 1286/2014 as it forms part of UK domestic law by virtue of the EUWA (the "**UK PRIIPs Regulation**"), or disclosure document required by the FCA Product Disclosure Sourcebook ("**DISC**"), for offering, selling or distributing the Securities or otherwise making them available to retail investors in the United Kingdom has been prepared and therefore offering, selling or distributing the Securities or otherwise making them available to any retail investor in the United Kingdom may be unlawful under the UK PRIIPs Regulation or DISC and the Consumer Composite Investments (Designated Activities) Regulations 2024. Notwithstanding the above, in the case where the Pricing Supplement in respect of any Securities include a legend entitled "Prohibition of Sales to UK Retail Investors" but where the Issuer subsequently prepares and publishes a key information document under the UK PRIIPs Regulation, or a disclosure document as required by DISC, in respect of such Securities, then following such publication, the prohibition on the offering, sale, distribution or otherwise making available the Securities to a retail investor in the United Kingdom as described above and in such legend shall no longer apply.

The Notes may only be publicly offered and the Offering Circular and this Pricing Supplement as well as any other offering or marketing material relating to the Notes may only be publicly offered to investors in Switzerland pursuant to an exception from the prospectus requirement under the Swiss Financial Services Act ("**FinSA**"), as such terms are defined under the FinSA. Neither this document nor the Offering Circular nor any other document

related to the Notes constitute a prospectus with the meaning of the FinSA and no prospectus pursuant to the FinSA will be prepared in connection with such public offering of the Notes.

Whilst the designation is specified as "no" at the date of this Pricing Supplement, should the Eurosystem eligibility criteria be amended in the future such that the Notes are capable of meeting them the Notes may then be deposited with one of the ICSDs as common safekeeper. Note that this does not necessarily mean that the Notes will then be recognised as eligible collateral for Eurosystem monetary policy and intra day credit operations by the Eurosystem at any time during their life. Such recognition will depend upon the ECB being satisfied that Eurosystem eligibility criteria have

been met.

UNITED STATES TAX CONSIDERATIONS

Section 871(m) Withholding Tax

The U.S. Treasury Department has issued regulations under which amounts paid or deemed paid on certain financial instruments that are treated as attributable to U.S.-source dividends could be treated, in whole or in part depending on the circumstances, as a "dividend equivalent" payment that is subject to tax at a rate of 30 per cent. (or a lower rate under an applicable treaty). We have determined that, as of the issue date of the Notes, the Notes will not be subject to withholding under these rules. In certain limited circumstances, however, it is possible for United States alien holders to be liable for tax under these rules with respect to a combination of transactions treated as having been entered into in connection with each other even when no withholding is required. United States alien holders should consult their tax advisor concerning these regulations, subsequent official guidance and regarding any other possible alternative characterisations of their Notes for United States federal income tax purposes. See "*United States Tax Considerations – Dividend Equivalent Payments*" in the Offering Circular for a more comprehensive discussion of the application of Section 871(m) to the Notes.

2. Definitions

For these purposes, the following words and expressions shall have the following meanings:

"**AADA(t)**" or "**Aggregate Actual Dividend Amount (t)**" means, in respect of an Averaging Date and the Dividend Period ending on (and including) such Averaging Date, the *aggregate* of each Actual Dividend Amount corresponding to such Dividend Period, as determined by the Calculation Agent.

"**Actual Dividend Amount**" means, in respect of each Averaging Date and the corresponding Dividend Period for such Averaging Date and subject to the provisions in paragraph 3 (*Dividend Adjustment*) of this Schedule 1 below, each (i) Gross Cash Dividend and/or (ii) Gross Cash Equivalent Dividend declared by the Share Issuer to any holder of record of a single share of such Share on the relevant record date in respect of such Gross Cash Dividend and/or Gross Cash Equivalent Dividend, where the Ex-Dividend Date for such Gross Cash Dividend and/or Gross Cash Equivalent Dividend falls in such Dividend Period, provided that:

- (a) if holders of record of the Share may elect between receiving a Gross Cash Dividend or a Gross Cash Equivalent Dividend for an Ex-Dividend Date, the Actual Dividend Amount for such Ex-Dividend Date shall be deemed to be the Gross Cash Dividend; and
- (b) where any Gross Cash Dividend and/or Gross Cash Equivalent Dividend is declared in a currency other than the Share Currency or determined to have a value in a currency other than the Share Currency (the "**Dividend Currency**" for such Gross Cash Dividend and/or Gross Cash Equivalent Dividend), then the Actual Dividend Amount for such Averaging Date shall be such amount determined by the Calculation Agent to be such Gross Cash Dividend and/or Gross Cash Equivalent Dividend converted into the Share Currency at a rate equal to the FX Rate in respect of such Dividend Currency on the Ex-Dividend Date for such Gross Cash Dividend and/or Gross Cash Equivalent Dividend.

"**APDA(t)**" or "**Aggregate Pre-Defined Decrement Amount (t)**" means, in respect of an Averaging Date and the Dividend Period ending on (and including) such Averaging Date, the *aggregate* of the Pre-Defined Decrement Amount for each Pre-Defined Ex-Decrement Date falling in such Dividend Period, as determined by the Calculation Agent.

"**Applicable Authority**" means any applicable authority having power to tax in respect of any dividends, as determined by the Calculation Agent.

"**Dividend Period**" means, in respect of the Share and each Averaging Date, the period commencing on (but excluding) the Initial Fixing Date and ending on (and including) such Averaging Date.

"**Ex-Dividend Date**" means, in respect of the Share and any amount in cash declared as a dividend by the Share Issuer of the Share or any stock dividend declared by the Share Issuer of the Share, the date on which such Share has commenced trading ex-dividend such dividend on the Exchange, as determined by the

Calculation Agent.

"Extraordinary Dividend" means, in respect of the Share, any amount in cash or shares per such Share which the Calculation Agent determines and characterises to be an extraordinary dividend.

"FX Rate" means, in respect of any relevant Dividend Currency and any relevant day, the official mid exchange rate (expressed as the number of units of such Dividend Currency per one unit of the Share Currency), published by Refinitiv Benchmark Services Limited at or around 4:00 p.m., London time, on such day on the relevant Reuters screen, as determined by the Calculation Agent, provided that if such exchange rate is not published on, or cannot be obtained from, such Reuters screen, then such FX Rate shall be such rate as determined by the Calculation Agent, acting in good faith and in a commercially reasonable manner.

"Gross Cash Dividend" means, in respect of the Share, any amount in cash per share of the Share declared by the Share Issuer, before the withholding or deduction of taxes at the source by or on behalf of any Applicable Authority, and shall exclude:

- (i) any imputation or other credits, refunds or deductions granted by an Applicable Authority (the **"Credits"**);
- (ii) any taxes, credits, refunds or benefits imposed, withheld, assessed or levied on the Credits; and
- (iii) any Extraordinary Dividend.

"Gross Cash Equivalent Dividend" means, in respect of the Share, any amount per share of the Share equal to the cash value of any stock dividend (whether or not such stock dividend comprises of shares of the Share) declared by the Share Issuer of the Share, provided that:

- (i) if the Share Issuer does not declare a cash value for such dividend, the Gross Cash Equivalent Dividend shall be an amount determined by the Calculation Agent on the basis of the closing price of the share comprising such stock dividend as published by the relevant primary exchange of such share on the Ex-Dividend Date (the **"Stock Dividend Closing Price"**);
- (ii) if the Stock Dividend Closing Price is not available for any reason, the Gross Cash Equivalent Dividend shall be determined by the Calculation Agent, acting in good faith and in a commercially reasonable manner; and
- (iii) the Gross Cash Equivalent Dividend shall exclude any Extraordinary Dividend.

If, in respect of any Averaging Date, the corresponding Dividend Period for such Averaging Date, and any Actual Dividend Amount for such Averaging Date and the corresponding Dividend Period for such Averaging Date, a Dividend Adjustment Event occurs prior to the payment date determined by reference to such Averaging Date, then such Actual Dividend Amount may be adjusted by the Calculation Agent, acting in good faith and in a commercially reasonable manner, to reflect such Dividend Adjustment Event, and any determination in respect of such Averaging Date and such payment date shall be based on such adjusted Actual Dividend Amount.

HOLDERS SHOULD NOTE THAT, IF ANY SUCH ADJUSTMENT OCCURS, THEN SUCH ACTUAL DIVIDEND AMOUNT IS LIKELY TO BE ADJUSTED TO ZERO.

Where:

"Actual Dividend" means, in respect of any Actual Dividend Amount, the amount actually paid or delivered by the Share Issuer of the Share to holders of record of the Share in respect of such Actual Dividend Amount, as determined by the Calculation Agent.

"Dividend Adjustment Event" means, in respect of each Averaging Date, the corresponding Dividend Period for such Averaging Date, and any Actual Dividend Amount for such Averaging Date and the corresponding Dividend Period for such Averaging Date (and a Dividend Adjustment Event shall be deemed to have occurred if):

- (i) the Actual Dividend corresponding to such Actual Dividend Amount is different from such Actual Dividend Amount; or
- (ii) the Share Issuer of the Share declares an intention to adjust such Actual Dividend Amount,
