Die Deutsche Börse AG und die Solactive AG haben in ihrer Funktion als Index Sponsor die Einstellung der Indexberechnung für die in der nachstehenden Tabelle aufgeführten Indizes bekannt gemacht.

Da ein Nachfolge-Index für den jeweiligen Index zum Zeitpunkt der Einstellung nicht existiert und die Weiterberechnung der Kursreferenz des jeweiligen Index durch die Emittentin oder die Berechnungsstelle nach billigem Ermessen der Emittentin bzw. der Berechnungsstelle nicht möglich ist, so dass entsprechend den Indexbezogenen Bestimmungen der Open End Faktor Zertifikate keine Anpassungsmaßnahme besteht, die zu einem wirtschaftlich angemessenen Ergebnis führen würde, kündigt die Goldman, Sachs & Co. Wertpapier GmbH mit Wirkung zum 3. April 2020, die in der Tabelle aufgeführten Open End Faktor Zertifikate gemäß den Indexbezogenen Bestimmungen (Nr. 3.2 i.V.m. Nr. 3.4) der jeweiligen Wertpapiere. Der Kündigungsbetrag für die Wertpapiere entspricht jeweils null, was dem Indexstand unmittelbar vor der Einstellung der Indexberechnung durch den Index Sponsor entspricht.

Deutsche Börse AG and Solactive AG, in their function as index sponsor, have announced the cancellation of the indices listed in the table below.

As a successor index of the respective index does not exist at the date of the cancellation and the Issuer or the Calculation Agent cannot, at the reasonable discretion of the Issuer or the Calculation Agent, continue to calculate the Underlying Price of the Index, so that accordingly under the Index Linked Provisions of the Open End Factor Certificates there is no adjustment measure which would lead to an economically reasonable result, Goldman, Sachs & Co. Wertpapier GmbH terminates with effect from 3 April 2020, the Open End Factor Certificates listed in the table according to the Index Linked Provisions (No. 3.2 in connection with No. 3.4) of the respective Securities. The Termination Amount for the Securities is zero in each case, which corresponds to the index level immediately prior to the discontinuation of the index calculation by the index sponsor.
