

Announcement relating to

**Plain Warrants, Turbo Certificates, Turbo Warrants, Trader Certificates and Factor
Warrants / Factor Certificates
of Goldman Sachs Bank Europe SE
and/or
Goldman, Sachs & Co. Wertpapier GmbH
(each an "Issuer", together the "Issuers")**

In connection with the conversion of the Stuttgart Stock Exchange's over-the-counter trading platform "Computer Assisted Trading System (CATS)" into a multilateral trading facility (MTF) under the designation "cats-Direct", the Issuers and the Calculation Agent hereby announce that all outstanding Plain Warrants, Turbo Certificates, Turbo Warrants, Trader Certificates and Factor Warrants / Factor Certificates issued by the Issuers and publicly offered in Belgium, France, Luxembourg and/or the Netherlands (the "**Securities**") are also traded on cats-Direct.

Where the Securities are already admitted to trading on Euronext Access Paris pursuant to the applicable Final Terms, such admission shall remain in effect alongside their admission to cats-Direct, i.e. Securities already listed on Euronext Access Paris will continue to be traded there and, in addition, are admitted to trading on cats-Direct.
