

PURIFYING MASK

PURIFYING CLAY MASK

SKIN TYPES AND CONDITIONS: OILY, ACNE, CONGESTED

DESCRIPTION

A mask recommended for the treatment of oily, congested and acne-prone skin. This pore clearing mask combines Sulfur, Zinc and Eucalyptus Oil, which help reduce oiliness, impactions and inflammation.

FEW KEY INGREDIENTS & BENEFITS

Eucalyptus Leaf Oil: Antiseptic, disinfectant and stimulates circulation.
Sulfur: Keratolytic, helps to unclog pores and anti-inflammatory.
Zinc Oxide: Mineral complex that purifies and absorbs excess oil and surface cells.

USAGE INSTRUCTIONS

Apply in a thick layer to face, neck and décolleté. Allow to remain on the skin for 10-15 minutes. Do not allow mask to dry completely. Gently remove with water.

Professional Use:
Mask Option 1 (oily, congested, acne prone skin): Apply a thick layer to face, neck, and décolleté. Allow to remain on the skin 10–15 minutes. Gently remove with tepid water.

Mask Option 2 (oily, congested, acne prone): Mix ½ teaspoon Gelloid Mask with 3 teaspoons Purifying Mask. Apply to face, neck, and décolleté. Allow to remain on the skin 10–15 minutes. Gently remove with tepid water.

Mask Option 3 (for sensitive acne): Mix 3 teaspoons Purifying Mask with 1/2 teaspoon Calm, Nourish and Repair Facial Oil. Apply a thick layer to face, neck, and décolleté. Allow to remain on the skin for 10–15 minutes. Gently remove with tepid water.

AS WITH ALL CLAY MASKS DO NOT ALLOW TO DRY ON SKIN.
