

PLUMP & RENEW LIP TREATMENT

ANTI-AGING LIP TREATMENT

SKIN TYPES AND CONDITIONS: ALL, DEHYDRATED, AGING, SENSITIVE

DESCRIPTION

A balm that tames fine lines and wrinkles on and around the lip area. It is a blend of rich antioxidants, nourishing oils and butters that help protect the skin from free radical assault. Its blend of peptides encourage collagen renovation, resulting in improved elasticity and restoration of a more youthful and plump complexion. The increase in hydration delivers softer, fuller lips.

A FEW KEY INGREDIENTS & BENEFITS

Dipalmitoyl Hydroxyproline: Plant derived peptide that encourages interaction between fibroblasts and the dermal matrix to stimulate remodeling and contraction of collagen fibers. The results of which are improved elasticity, restoration of a more youthful plump skin tone, taming of fine lines and wrinkles and an increase in hydration resulting in soft full lips.

Oryza Sativa (Rice Bran) Oil: Loaded with antioxidants such as ferulic acid, linoleic acid, oleic acid and palmitic acid. Very emollient.

Alpha Tocopherol (Vitamin E): An antioxidant shown to prevent destruction of the lipid part of the cell membrane. It promotes skin repair and helps preserve other vitamins.

USAGE INSTRUCTIONS

Apply liberally throughout the day. For best results use a minimum of three times daily.

FULL INGREDIENT DISCLOSURE

Cocos Nucifera (Coconut) Oil, Theobroma Cacao (Cocoa) Butter, Cera Alba (Beeswax), Caprylic Capric Triglycerides, Ubiquinone (CoQ10), Alpha Tocopherol (Vitamin E), Theobroma Grandiflorum (Cupuacu) Butter, Ricinus Communis (Castor) Seed Oil, Palm Kernel Glycerides, Oryza Sativa (Rice) Bran Oil, Tripeptide-1, Isohexadecane, Dimethicone, Cyclopentasiloxane, Sodium Hyaluronate, Xanthan Gum, Ascorbyl Palmitate (Vitamin C Ester), Dipalmitoyl Hydroxyproline, Simmondsia Chinensis (Jojoba) Esters, Glyceryl Monocaprylate, Glyceryl Monoundecylene
