

MANDELIC NIACINAMIDE SERUM PLUS

ROCK STAR SERUM FOR ACNE, AGING, HYPERPIGMENTATION

ACNE SAFE

SKIN TYPES AND CONDITIONS: ALL SKIN TYPES, AGING, ACNE, CONGESTED, HYPERPIGMENTED

DESCRIPTION

A light weight plumping serum that helps resurface the skin, reduce pigmentation challenges, reverse and prevent breakouts. Lends the skin a beautiful even skin tone and glorious glow.

A FEW KEY INGREDIENTS & BENEFITS

Mandelic Acid 5%: Our Mandelic Acid is derived from almonds. It is exfoliating promoting cell turnover. Smooths rough texture and increases skin hydration. Provides anti-aging benefits and improves skin elasticity. Reduces acne, fine lines, and wrinkles. Helps with all types of hyperpigmentation and is suitable for all Fitzpatricks.

Hyaluronic Acid: Achieves ultimate hydration by attracting up to 1,000 times its weight in water from the moisture in the air. It helps replenish the moisture content of aging and environmentally damaged skin, restores youthful radiance, smooths the look of fine lines and helps increase the skin's ability to retain moisture. Leaves skin fresh and fabulous.

Glycyrrhiza Glabra (Licorice) Root Extract: Recent research indicates that licorice root extract shows promise as a soothing ingredient for the relief of eczema. Studies have shown it may be of benefit in skin lightening as it contains liquiritin and isoliquertin, as well as flavonoid containing glycosides, which induce skin lightening by dispersing melanin pigment and enhancing more even pigment distribution.

Niacinamide (Vitamin B3): The active form of vitamin B3 (also known as Nicotinic Acid). It offers multiple benefits for the skin, such as improve skin's elasticity, dramatically enhance barrier function, help erase discolorations, reduce blemishes, dissipate red blotchiness and revive skin's healthy tone and texture.

Panthenol: Deeply hydrating. Its moisturizing properties improve stratum corneum hydration, reducing transepidermal water loss and therefore helping to maintain skin elasticity and softness.

USAGE INSTRUCTIONS

Use AM and PM. Gently massage a small amount into face, neck and décolleté. Must wear sunscreen daily while using this product. It may be used 2-7 nights per week depending on skin condition. May be used AM and PM daily depending on skin condition. We recommend acclimating the skin to this product by starting every other night and increasing usage as the skin will tolerate it.

FULL INGREDIENT DISCLOSURE

Aqua, Alcohol Denatured SD 40-B, Propylene Glycol, Mandelic Acid (L), Hydroxyethylcellulose, Sodium PCA, Glycerin, Hyaluronic Acid, Niacinamide (Vitamin B-3), Sodium Benzoate, Lactic Acid, Citric Acid, Hydroxypropylcellulose, Panthenol (Vitamin B-5), Glycyrrhiza Glabra (Licorice) Root Extract, Matricaria Recutita (Chamomile) Extract, Caprylyl Glycol, Ethylhexylglycerin
