

REVITALIZING PEPTIDE & STEM CELL EYE GEL

PEPTIDE, STEM CELL, HYALURONIC LIFTING EYE GEL FOR ALL SKIN TYPES

TYPES AND CONDITIONS: ALL SKIN TYPES, AGING, FINE LINES, WRINKLES, SAGGING, DARK CIRCLES, PUFFINESS

DESCRIPTION

A silky eye gel that utilizes a unique powerhouse of ingredients that leaves the skin feeling hydrated, revitalized and renewed. Three molecular weights of Hyaluronic Acid, loads of Peptides and Swiss Apple Stem Cells help prevent and diminish the appearance of fine lines, wrinkles, sagging, puffiness and dark circles. With consistent use skin will appear brighter, youthful and more vibrant. You won't believe your eyes!

A FEW KEY INGREDIENTS & BENEFITS

Eyeseryl®(Acetyl Tetrapeptide-5): Clinical research shows Eyeseryl effective for inhibition of collagen glycation which helps avoid losing elasticity and subsequent eye bag formation. It has a draining and anti-edema effect which prevents liquid accumulation in eye bags. Lightening effect helps fade dark circles. Clinical research shows skin elasticity had a 30% increase after 30 days. The results occurred with a 10% dosage.

REGU®-AGE PF (Glycine Soja [Soybean] Protein & Hydrolyzed Rice Protein & Superoxide Dismutase): Clinically proven to protect against oxidative stress. Strengthens and protects against the collagen and elastin matrix while it improves capillary circulation. After four weeks a reduction of eye puffiness of approximately 25% could be observed. Also, after four weeks a reduction of dark circles of approximately 32% was observed. In summary REGU®-AGE PF reduces dark circles and puffiness around the eyes, strengthens the connective tissue, and reduces inflammation. The results occurred with 5% dosage.

Matrixyl™ 3000 (Palmitoyl Oligopeptide & Palmitoyl Tetrapeptide-7): Acting as messengers of cutaneous restructure and repair, these two peptides work synergistically to restore and maintain the skin's youthful appearance. Clinical research showed a 45% reduction in deep wrinkles after eight weeks at a 3% dosage rate.

SYN®-COLL (Palmitoyl Tripeptide-5): Clinical research shows the ability to reduce all types of wrinkles and has a smoothing effect on the skin. 12% reduction after eight weeks at a 2.5 % dosage.

PhytoCellTec™ Malus Domestica (Swiss Apple Stem Cells): Clinical research shows a significant and visible decrease in wrinkle depth for 100% of subjects at 2% concentration of extract. Research also shows a protection of longevity of skin stem cells and an age-delaying effect by protecting from oxidative stress.

USAGE INSTRUCTIONS

Use AM and PM. Lightly pat around eye area, starting at the outer corner and blending inward.

FULL INGREDIENT DISCLOSURE

Aqua, Sodium Hyaluronate, Panthenol, Butylene Glycol, Acetyl Tetrapeptide-5, Glycerin, Carbomer, Polysorbate 20, Palmitoyl Oligopeptide, Palmitoyl Tetrapeptide-7, Glycine, Soja (Soybean) Protein, Hydrolyzed Rice Protein, Superoxide Dismutase, Palmitoyl Tripeptide-5, Malus Domestica Fruit Cell Culture Extract, Xanthan Gum, Phenoxyethanol
