

CALMING CLEANSING OIL & MAKEUP REMOVER

CLEANSING OIL & MAKEUP REMOVER

SKIN TYPES AND CONDITIONS: ALL SKIN TYPES, DEHYDRATED, AGING,
SENSITIVE, SENSITIZED, ROSACEA, INFLAMED

DESCRIPTION

Gently removes all traces of makeup and other impurities while it leaves sensitive, reactive, delicate skin nourished, calmed and soothed.

A FEW KEY INGREDIENTS & BENEFITS

Argania Spinosa (Argan) Oil: Cold pressed from the nuts of Argania Spinosa. Rich in fatty acids, carotenoids, ferulic acid and vitamin E. Improves skin softness while offering antioxidant protection.

Helianthus Annuus (Sunflower) Seed Oil: Cold pressed from the seed of Helianthus annuus flowers. Rich in essential fatty acids. Helps to repair a compromised skin barrier.

Carthamus Tinctorius (Safflower) Seed Oil: Cold pressed seeds and kernels. An extremely moisturizing oil, rich in linoleic acid. Research points to linoleic acids anti-inflammatory, and moisture retentive properties when applied topically to the skin.

USAGE INSTRUCTIONS

Shake Well Before Use. Use AM and PM. Apply to dry skin. Performa cleansing massage for one to three minutes adding product or water as necessary to maintain slip. Remove with water.
