To review the program start times, please consult the Program Overview or follow the below link.
<https://themeparks.com.au/education/program-times>

Learn how to be SharkSmart in our interactive education trail at Sea World!
 Proudly supported by the QLD Government, students will learn about shark species and biology, fascinating facts about sharks, how to be SharkSmart in the water and new technology being used in Queensland to monitor sharks and keep people safe. Further information can be found at:
www.themeparks.com.au/education/sharksmart

PRE-VISIT QUESTIONNAIRE

EDUCATIONAL PROGRAMS

COMPLETE THE BELOW AND ATTACH WITH YOUR BOOKING

The following information will allow our Education Officers at Sea World to gain valuable insight to your school group so that your specific needs can be catered for during your educational program.

1. Provide a brief overview of the school subject and your current unit of study that relates to this excursion:

2. Where is this excursion positioned in your relevant unit of study?

At the start, as an introduction

In the middle

At the end, as a consolidation of learning

Further Information:

3. Does this excursion link to an assessment task for your students?

Yes. *Please attach the task sheet*

No

Further Information:

4. Do you have any requests for specific inclusions to your program?

5. Are there any requirements for students that we need to be made aware of (e.g. ESL or special needs)?

6. Year 11 & 12 Marine Investigator Program only:

There is an option to have quadrats and a transect set up in the Tropical Reef Lagoon for a more-in-depth survey during your snorkel. As this option requires set up prior to your arrival, please indicate below if you would like this option included.

Additional Information:
