Discover the Magic Behind the Scenes at Movie World!

Step into the spotlight with Warner Bros. Movie World's *Behind the Magic* Education Program, a thrilling one-hour walking tour designed for international students aged 12–19! Before the park opens, students will explore the secrets of street theatre, discover the rich history of Movie World, and meet real cast members to learn how they prepare for a day of performance. With character interactions, and a fun self-guided challenge to complete during their visit, this immersive experience brings the magic of entertainment to life, no English fluency required, just curiosity and imagination!
