

## Change URL Tenant in the UKG Pro App

This job aid explains how to change the URL Tenant in the UKG Pro App.

### What is the URL Tenant

The URL Tenant in the UKG Pro App connects the App with the system in Village Roadshow's network. The URL Tenant for Village Roadshow is: <https://villageroadshow-sso.prd.mykronos.com/>

### How to Change the URL Tenant

If you work across multiple organisations that use UKG, you will need to change the URL Tenant to log into each different account.

1. Select the Company Access Code.
2. A pop will appear, Select "YES, CLEAR IT".
3. From here you can change the URL Tenant.
