BIBEK BAM

FULL STACK DEVELOPER

Lappeenranta, Finland

Bibek is a Full Stack Developer who not only has an abundance of past experience in the Information Technology field, but also has strong skills in both communication and leadership. As an IT Officer, he gained skills in management and coordination, and through his time as a Teaching Assistant, he further developed his communication and customer service skills. Over time, Bibek has also honed his skills in UI/UX, which has significantly increased his attention to detail. These experiences, linked with his proficiency in numerous programming languages, make Bibek a strong candidate for all Software Development companies looking for an experienced and dedicated team member.
