PROFILE

Pasang is a skilled software developer who enjoys coding even during his free time. He holds a Bachelor's degree in Information and Communication Technologies from Turku University of Applied Sciences. In addition to his studies, Pasang has also worked as a software developer. In this role, his main tasks included mobile development and front-end web development. At work, Pasang describes himself as an extremely hard-working person who enjoys solving problems with patience. He is looking forward to taking the next step in his career as a professional software developer.
