SELECT PORTFOLIO COMPANIES

TECHNOLOGY SERVICES:

Global provider of digital commerce services to B2C and B2B brands across Salesforce, Adobe, SAP and Shopify. The Company combines technology implementation, customer engagement strategy, research and design services to clients globally.

Consulting firm providing Workday services and solutions to drive business transformation and modernize client operations/processes. Provides advisory, deployment, and post-production support through the Workday platform.

Provider of technology strategy and transformation services to upper mid-market and enterprise clients with an emphasis on data, analytics and AI-related engagements grounded in provable ROI.

Provider of consulting solutions built on Microsoft's cloud-based Dynamics 365 suite, helping enterprise clients in the manufacturing sector reduce costs, improve efficiencies, and increase profits.

Global consulting firm providing Oracle services and solutions to the utility sector, with specialized expertise deploying comprehensive meter-to-cash and asset technology solutions.

B2B HEALTHCARE:

The Company is engaged in providing clinical research optimization services such as program optimization, project management, regulatory guidance, clinical management, data management and analysis and compliance and audit.

Strategic and creative marketing services to the life science and consumer products/services sectors, specializing in brand strategy, content development, social media, reporting/analytics, public relations, and crisis communication.

OTHER PROFESSIONAL SERVICES:

Workforce management consulting firm serving large retail, manufacturing and distribution clients to improve operations, financial health, employee satisfaction and customer experience.

Sophisticated business advisory services in the areas of finance, cloud software implementation, cybersecurity, RPA, data analytics, and compliance for large publicly-held and privately-held businesses.
