Travel Tickets may be purchased up to the day on which they become valid and Activities may be purchased up to the day for which they are reserved. By exception, the «First Tracks» Activity may be reserved up to the day before the scheduled date of the Activity before 3pm.

ADS therefore does not guarantee the availability or price of products appearing in the basket beyond the period mentioned above.

The sale is concluded subject to full payment at the time of ordering, or, if the Client has opted for payment in instalments, of the first instalment. Furthermore, if a Travel Ticket or Activity access pass offer is valid until a specific date and time, the sale is concluded only if payment is completed by that deadline.

### **ARTICLE 5. PHOTOGRAPH**

When a Travel Ticket valid every day of the winter season is purchased (Travel Ticket «season» «1/7» «2/7», etc.), the Client must provide a photograph of the user of this Travel Ticket. It must be a recent identity photograph, full face, without tinted glasses or headdress.

## **ARTICLE 6. PRICES**

The prices of Travel Tickets and Activity access pass and Insurances are displayed in Sales Points on or near Ticket Machines, on the Website, and on the App.

They are expressed in Euros and with all taxes included. They may be adjusted during the season in the event of tax changes.

Reduced prices are applied based on the individual adult, child or senior prices. Reduced prices cannot be combined with other discounted prices.

If the Client wishes to benefit from a reduced price or free entry, at the time of purchasing the Travel Ticket or reserving the Activity in Sales Point or from ADS representative, they must present an original document certifying that the user of the Travel Ticket or the person for whom the Activity is being purchased fulfils the conditions for benefitting from the reduced price or free entry on the date the Travel Ticket becomes valid or the Activity begins. The user or the person for whom the Activity is being purchased must be able to present this document at any time during the period of validity of the Travel Ticket or during the Activity, whether the Travel Ticket has been purchased or the Activity reserved in a Sales Point, on the Website, on the App or from a Ticket Machine. On the Website or in Sales Point Travel Tickets are sold giving access to ski lifts for one or two calendar days per week throughout the entire winter operating season of these lifts. If the Client wishes to use such a Travel Ticket for more than the allotted one or two days per week, they must, prior to accessing the ski lifts, go to a Sales Point, present their Travel Ticket and pay an amount corresponding to a discounted adult, child or senior rate for one-day Travel Ticket valid valid for either the Les Arcs area or the Paradiski area (depending on the price and the area covered by the chosen Travel Ticket). If the Travel Ticket is used less than one or two days per week, the unused day(s) cannot be carried over.

Unless otherwise stated, the price of Activities includes the provision of the equipment necessary to take part in the Activities, as well as the Travel Ticket needed to benefit from this Activity. By exception, for the "First Tracks" Activity, the Travel Ticket required to benefit from it is not included in the price of the Activity.

### **7.3. Payment in instalments**

All orders must be paid in full at the time of placement.

However, when placing an order on the Website, the Client may opt to pay using credit in three or four instalments with fees, provided the following conditions are met:

- The total amount of the order is less or equal to €5,000 including VAT;

The applicable fees are displayed on the Website at the payment method selection stage.

If the Client chooses three instalments, one third of the order amount plus all fees is charged at the time the order is placed. The second third is charged one month later on the same bank card. The final third, one month after that on the same bank card.

If the Client chooses four instalments, one quarter of the price of the order amount plus all fees is charged at the time of the order. The second quarter is charged one month later on the same bank card, the third quarter one month after that on the same bank card. The final quarter, one month after the third on the same bank card.

To benefit from instalment payment, the Client must select the relevant option during the order process and, in the case of an order on the Website, accept the general terms and conditions of the service provider Alma.

The Client must ensure that each scheduled payment does not exceed the authorised limit set by their bank.

The Client may withdraw from the instalment payment arrangement under the conditions set out in [article 14](#), in which case the order must be paid in full immediately.

If an order is cancelled in accordance with the Sales Conditions, the instalment payment arrangement is also cancelled and any amounts already paid are refunded.

The company Alma reserves the right to refuse the Client access to the instalment payment facility. In such cases, the order must be paid in full immediately.

## **ARTICLE 8. ORDER CONFIRMATION**

An order confirmation (hereinafter the «Order Confirmation») is sent to the Client by email, when they purchase a Travel Ticket or pay for an Activity. For purchases made on the Website, the Order Confirmation is also available in the Client's personal account under «My Orders». For purchases made via the App, it is available under "Pass/My

purchases". For purchases at Sales Point, the Client may decline to receive the Order Confirmation by email; in such cases, a printed Order Confirmation will be provided. The Client is also offered the option to receive a text message containing a link to create their account and thereby retrieve the Order Confirmation.

The Client is advised to retain the Order Confirmation for the entire validity period of the Travel Ticket or Activity access pass. This document may be required for compensation claim, Travel Ticket replacement or proof of insurance subscription.

## **ARTICLE 9. DELIVERY OF TRAVEL TICKETS AND ACTIVITIES ACCESS PASS**

Every Travel Ticket or Activity access pass is issued in the form of a QR code or smart card on which it is encoded.

Smart cards and QR codes are provided free of charge when purchasing a Travel Ticket or reserving an Activity.

If the Client has purchased a Travel Ticket or reserved an Activity in Sales Points, the QR code or smart card will be issued to them immediately at the Sales Points.

If the Client has purchased a Travel Ticket or reserved an Activity on the Website or on the App, the Travel Ticket or Activity access pass will be issued:

- As a smart card. If the Client already has such a card, the Travel Ticket or Activity access pass is associated with this card when the order is placed. If the Client does not have such a card, they may collect from Sales Points or Ticket Machines by presenting the order number.
- Or a QR code, sent immediately by email to the address provided during the order.

If the Client has purchased a Travel Ticket from Ticket Machines, the Travel Ticket will be immediately issued:

- Or a QR code, sent immediately by email to the address provided during the order

The Client is invited to check the conformity of the Travel Ticket or Activity access pass with their order upon delivery.

## **ARTICLE 10. RELOADING TRAVEL TICKETS AND ENTRY TICKETS TO ACTIVITIES**

Some smart cards on which a Travel Ticket or Activity access pass are associated can be reloaded several times. A new Travel Ticket or new Activity access pass may be added to these cards. However, if a card is associated with Travel Ticket valid for the whole winter season no other Travel Ticket may be added to that card during the same season. However, an Activity access pass may be added on this card during the winter season.

Reloading is only possible via the Website, the App or on Ticket Machines, and only for Travel Tickets and Activity access pass available on those channels. By way of exception, Travel Tickets valid for persons aged 75 and over may only be recharged in Sales Points.

A Travel Ticket or an Activity access pass may be added to a reloadable card up to a few minutes before its validity. However, a ticket for the «First Tracks» Activity may be linked to a reloadable card no later than 3.00 pm on the day before the Activity begins.

If a new Travel Ticket or new Activity access pass is added to a card while a valid one is still active, the original Travel Ticket or Activity access pass is cancelled and may no longer be used. No compensation will be provided. Clients are therefore advised to wait until the Travel Ticket or Activity access pass encoded on their card expires before reloading a new one. The Client is thus invited not to associate a new Travel Ticket on the card on which a «1/7» or «2/7» Ticket is already associated, for example.

## ARTICLE 11. MODIFICATION OF AN ORDER

The Client may request a free modification of their order if the following conditions are met:

## ARTICLE 12. CANCELLATION OF AN ORDER

The Client may cancel an order, in full or in part, free of charge, if all the following conditions are met:

- The cancellation concerns a Travel Ticket or an Activity access pass that was not purchased as part of a promotional offer.
- ADS is informed of the cancellation no later than seven days before the start of validity of the Travel Ticket for a "Classic Pass", no later than the start date of validity period for an "Essential Pass" or a "Premium Pass", or no later than forty-eight hours before the start of the Activity;
- The Travel Ticket or Activity access pass has not been used, even partially, including after the cancellation request was submitted.

The Client may cancel an order, in full or in part, with applicable fees, if all the following conditions are met:

Cancellation fees are €10 per cancelled Travel Ticket and per day of validity of the cancelled Travel Ticket (or per 4-hour period if the Travel Ticket is valid for 4 hours). For example, cancelling two Travel Tickets valid for six days results in a cancellation fee of €120). Exceptionally, the cancellation fee for a "Classic Season Pass" Travel Ticket is €80 per cancelled Travel Ticket. The Cancellation will only be processed once the fees have been paid.

The Client must notify ADS of the cancellation by contacting them using the contact details provided in [article 19](#). If the Travel Ticket or Activity access pass was purchased in Sales Points, the Client may also notify ADS of the cancellation in Sales Points.

The amount corresponding to the cancelled Travel Ticket or the Activity access pass will be refunded to the bank card used for payment. Exceptionally, if the order was paid in whole or in part by cheque or by cash, the portion paid by this method will be refunded via bank transfer. Exceptionally, if the order was paid in whole or in part by holiday vouchers, the portion paid by this method will be refunded in the form of a credit note. This credit note is non-transferable, non-refundable, and valid until the date indicated on the credit note.

As the refund is based on the euro amount of the order, any exchange rate fluctuations between the order date and the refund date are the responsibility of the Client. Any postage costs incurred by the Client to notify ADS will not be reimbursed.

## **ARTICLE 13. COMPENSATION**

The Client, the user of a Travel Ticket, the person registered for an Activity or the beneficiary of an Insurance is not entitled to any refund, exchange, extension, or postponement of the validity of the Travel Ticket, Activity, or Insurance even if the Travel Ticket has not been used or has only been partially used, the person did not participate in the Activity or the Insurance was not activated, including when the inability to use the Travel Ticket or participate in the Activity results from weather or snow conditions.

By exception, the Client may obtain a refund or postponement of a Travel Ticket or an Activity under the conditions set out in Articles 11 and 12 and may be eligible for compensation in the cases detailed below.

No compensation will be granted before the end of the validity period of the Travel Ticket or the due date of the Activity. Compensation will be processed within four months following receipt of the Client's request and all the required supporting documents.

No compensation will be granted to a Client who purchased a Travel Ticket or reserved an Activity through any party other than ADS or one of its representatives. In such case, the Client must contact the person or entity from whom the purchase or reservation was made.

Refunds are based on the euro price of the order. Any exchange rate fluctuations between the order date and the refund date are the responsibility of the Client.

### **13.1. Suspension of ski lifts operation for public health decision**

If all lift operations managed by ADS are closed for one or more full days due to a public health decision by government authorities, the Client may request a refund for the Travel Ticket purchased from ADS or the Activity booked with ADS (provided the Activity requires access to the lifts).

The refund amount is calculated on a pro-rata basis according to the number of closure days during the validity period of the Travel Ticket or the Activity.

To request compensation, the Client must contact ADS using the details provided in [article 19](#). The request must include the Order Confirmation and, in the case of a Travel Ticket purchase, a copy of the Travel Ticket.

### **13.2. Suspension of ski lifts operation for reason other than a public health decision**

#### ***13.2.1. If the Client purchased a Travel Ticket valid for one day or less***

The Client may obtain a partial refund of the Travel Ticket valid for one day or less if the following conditions are met:

- The Travel Ticket was purchased on the Website, the App or Ticket Machines without benefiting from any promotional offer whatsoever.
- ADS offers a discounted rate for the day in question due to unfavourable weather or snow conditions.

The refund amount equals the difference between the price of the Travel Ticket paid by the Client and the discounted rate.

Exceptionally, if the Travel Ticket was paid in whole or in part with holiday vouchers, the portion paid by this method will be refunded as a credit note. This credit note is non-transferable, non-refundable, and valid until the date indicated on it.

To obtain compensation, the Client must submit a request to ADS at the contact details provided in [article 19](#), including a copy of the Travel Ticket and the corresponding Order Confirmation.

#### ***13.2.2. If the Client has purchased a Travel Ticket other than a Travel Ticket valid for one day, all days of the winter season or non-consecutive days***

The Client may obtain compensation if the following conditions are met:

Compensation takes the form, at the Client's choice:

- Either a new Travel Ticket of the same type as the one originally purchased, valid for a duration equal to the number of days during which the ski lifts were interrupted during the validity period of the original Travel Ticket. This extension takes effect the day after the original Travel Ticket expires or on the first day of the resumption of ski lift operations if it occurs after that day.
- Or a refund equal to a fraction of the price of the Travel Ticket. This amount is calculated pro-rata based on the number of days of ski lifts interruption during the validity period of the Travel Ticket compared to the total number of valid days (e.g.: a Client who purchased a 6-day Travel Ticket will be refunded 50% of the Travel Ticket price if the ski lifts were interrupted for 3 days during the validity period).

To obtain this compensation, the Client must send a request to the contact details provided in [article 19](#). This request must be accompanied by the Order Confirmation and a copy of the Travel Ticket. As an exception if the

Clients wishes to be compensated in the form of a new Travel Ticket, they must go to Sales Points with the Order Confirmation and a copy of the Travel Ticket.
