ARTICLE 10. RECHARGING TICKETS FOR TRAVEL AND TICKETS FOR ENTRY TO ACTIVITIES

The card on which a Ticket for Travel or a ticket for entry to an Activity is loaded can be recharged one or more times. Accordingly, a new Ticket for Travel or ticket for entry to an Activity may be loaded onto this card, provided, however, that the new Transport Ticket or Activity access ticket comes into effect after the expiry of the Transport Ticket or Activity access ticket already loaded on the card. The new ticket or Activity pass purchased and loaded replaces the ticket or Activity pass already loaded onto the card, even if the previous ticket or Activity pass has not been used by the customer. Tickets and Activity passes can only be accumulated on the card if they are dated.

ARTICLE 11. ALTERATION AND CANCELLATION OF AN ORDER

The Client may modify, in whole or in part, the order of a Transport Ticket or an access ticket to an Activity, free of charge, up to 48 hours before the start of the validity of the ticket. The modification is made subject to the payment of any additional price and the availability of the Activity (in the event of modification of an access ticket to an Activity). The order of a ticket cannot be modified less than 48 hours before the start of the validity of the ticket.

The Client may cancel all or part of the order for a Transport Ticket or an access ticket to an Activity, free of charge, up to the day before the ticket begins to be valid. The order cannot be canceled on the day the ticket begins to be valid or thereafter.

As an exception to the above, with regard to tickets valid for an undefined date during the season (called “undated tickets”):

- If the Client has purchased an undated ticket before the start of the summer season, he can modify his order up to 48 hours before this start date and cancel it up to the day before this start date. For example, for summer 2026, the start date is July 5, 2026. Consequently, if the Client purchased a ticket before July 5, 2026, he can modify his order up to July 3, 2026 and cancel it up to and including July 4, 2026;
- If the Client purchased an undated ticket on or after the day began the summer season, the order for this ticket cannot be changed. However, the Client may cancel his order at any time, provided that he has not used the ticket, even partially.

To request the alteration or cancellation of the order, the Client must send an electronic message to SAP at the following address: <https://www.ticketoski.fr/fr/la-plagne/situation/1099/dossier/add>. His message must show:

- The reference number of the order,
- His surname and forename,
- Bank details if the order had been paid for at least in part by cheques.

The Client may also cancel his order through his personal account accessible from the Website. As an exception, if the Client wishes to cancel an undated ticket purchased after the start of the summer season, he cannot cancel this through his personal account; he must send an email to the address indicated above.

If the modification of the order leads to a reduction in the price of the order, or in the event of cancellation of the order, the Client has the choice between:

- Refund of the difference between the price of the order before the modification and the price after the modification (in the event of modification of the order), or refund of the price of the order (in the event of cancellation of the order). The refunded amount is credited to the bank card used to pay for the Transport Ticket or the access ticket, unless otherwise indicated by the Client. As an exception, if the order was paid in whole or in part by digital ANCV holiday vouchers, the entire amount due is subject to a credit note under the conditions defined below;

- Credit note whose amount corresponds to the difference between the price of the order before the modification and the price after the modification (in the event of modification of the order), or to the price of the order (in the event of cancellation of the order). This credit note is valid for one year from its issue.

The refund being based on the price of the order in euros, any variations in the exchange rate between the date of the order and the date of the refund will be borne by the Client.

ARTICLE 12. COMPENSATION

The Client, user of the Ticket for Travel or ticket for entry to an Activity may not benefit from any refund or exchange of the Ticket for Travel or the Activity, nor from any extension or postponement of their validity even if the Ticket for Travel has not been used or has only been partially used or if the person has not taken part in the Activity or has only partially taken part in it.

By way of exception, the Client may obtain the refund of a Ticket for Travel or a ticket for entry to an Activity under the conditions described in [article 11](#), and benefit from compensation in the cases detailed below.

12.1. Interruption to the operation of the ski lifts for health reasons on the decision of the authorities

The amount of the refund is calculated pro rata to the number of days of closure imposed by the authorities' decision during the period of validity of the Ticket for Travel or ticket for entry to an Activity.

To obtain compensation, the Client must submit a request to SAP at the contact details shown in [article 18](#). This request must be accompanied by a Proof of Purchase.

ARTICLE 14. RESPONSIBILITY

It is the Client's responsibility to choose the Ticket for Travel or the Activity best suited to their needs and limitations. SAP will not accept responsibility if the Ticket for Travel or Activity chosen does not meet the needs or limitations of the Client, the user of the Ticket for Travel or the person entered for the Activity.

SAP declines all responsibility if it is impossible for the Client to finalize an order on the Website, on the Application or on an Automat before a specific deadline, due for example to the inaccessibility or malfunction of the Website, of the Application or the Machine, the inaccessibility or malfunction of the payment system, or the lack of payment authorization by the Client's bank.
