Sculpture Walk

A self-guided tour of the sculptures on the Streatham Campus

Welcome to the University of Exeter's beautiful Streatham Campus where you can enjoy a walk of some 40 sculptures.

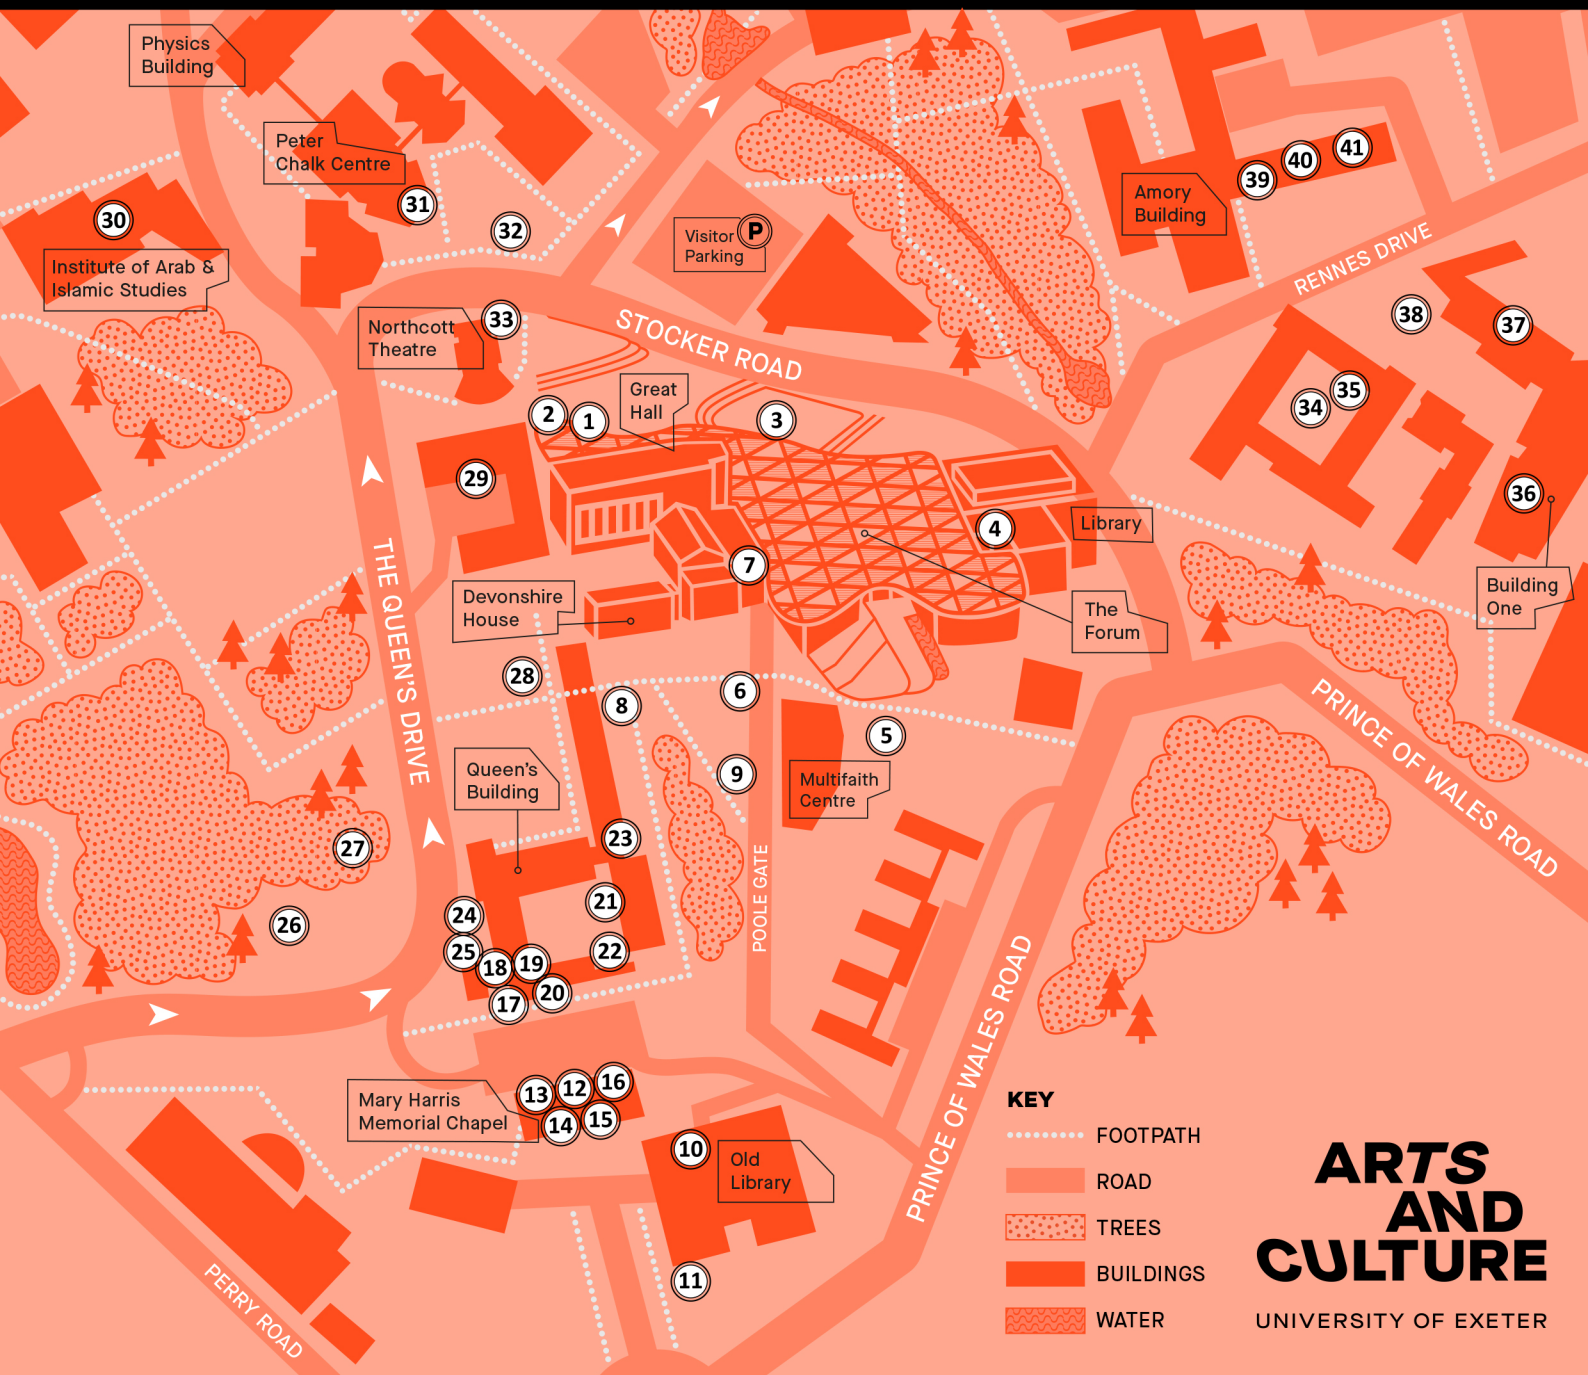

The walk includes sculptures by Dame Barbara Hepworth and Peter Randall-Page, together with other renowned and emerging artists. Some are situated in University buildings and others in the beautiful grounds.

Visit the Sculpture Walk on weekdays from 9am to 5pm.

The full walk takes around 2 hours. A walk around the outdoor sculptures will take approximately 1 hour.

Parts of the walk are not suitable for wheelchair users. Please note that we cannot guarantee all sculptures are always accessible.

Visiting the Campus: The Stagecoach UNI bus stops at the Streatham Campus. Limited Pay and Display car parking is also available on campus.
