Sculpture Walk for people with Visual Impairments

Welcome to the University of Exeter's Sculpture Walk for people with visual impairments. There are eight sculptures on this walk. Some are outdoors and some indoors; all but one are accessible by wheelchair. Start the walk at any point and if you want, just visit one or two sculptures. They are all different. You are welcome to touch the sculptures gently.

The QR code below will take you online to a sensory audio guide for each sculpture, and also a more detailed audio guide if you want to find out more about each work.

Or visit: <https://www.artsandcultureexeter.co.uk/trail> to find the walk online.

The walk is open from Monday to Friday, 9am–5pm. This map helps your guide show you round and find places to park. We hope you enjoy the experience. We recommend you bring a sighted person with you to access the audio recordings and to help you find the sculptures safely, as they are a short walk from each other.

1 <i>By Another Ocean III</i> By Peter Randall Page		5 <i>Stargazer</i> By Janice Ridley	
2 <i>Figure, 1964</i> By Barbara Hepworth		6 <i>Five days in May</i> By Peter Corlett	
3 <i>Figure for Landscape</i> By Barbara Hepworth		7 <i>Baroness Floella Benjamin</i> By Luke Shepherd
