INTERESTS

design	Naturally drawn to all that is visual. Mostly screen design (UX/UI), branding, typography, graphic design, arts ...
motion	Sold on a good transition! Always wondering how they made it and sometimes trying my own version on it.
development	Just love to know how it all works. Enjoying a meaningful talk with programmers.
sport	Playing tennis for over 10 years. Developed my teaching skills (in tennis) for more than 4 years.
other	Slow-coffee lover and sometimes snapping pictures with an analogue camera or a modern Nikon.
