As of Q1 2022
Social and Environmental Impact Performance

Annually, we collect social and environmental impact data from our portfolio borrowers using impact metrics from Aeris, the IRIS+ database, the CDFI Fund, and other sources. We blend this data with stories from borrowers to produce our Impact Report. In 2020, Calvert Impact Capital’s borrowers created these outcomes:

- 36,700 homes created or preserved
- 24+ million metric tons of CO₂ avoided
- 419,652 Farmers supported

SECURITY AND INVESTOR PROTECTIONS

Calvert Impact Capital’s team of investment professionals employs industry-leading due diligence and monitoring practices to manage a diversified lending portfolio. Over our 25+ year history, over 99% of the underlying portfolio loans have been repaid, and no investor has ever lost principal or interest.* Investors are further protected by loan loss reserves and over $100 million in net assets, subordinated investments, and guarantees.
