

# RESOURCES FOR KIDS

## ONLINE HOMESCHOOLING/EDUCATION PROGRAMS

Resources to supplement materials/guidance given by your child's teachers:

### BrainPOP and BrainPOPJR

[www.brainpop.com](http://www.brainpop.com)

Provides online content for science, math, language arts, and other subjects and is offering FREE access for the duration of the school shut downs.

### Prodigy

[play.prodigygame.com](http://play.prodigygame.com)

A fun, interactive math game for your child to play one the computer.

### Khan Academy kids

<http://khanacademy.org>

This is a free online program for kids of all ages, and includes a suggested daily schedule for at home schooling.

### Storyline

[www.storylineonline.net/](http://www.storylineonline.net/)

This website streams videos of actors reading children's books. Reading aloud to children has been shown to improve reading, writing and communication skills, logical thinking and concentration, and general academic aptitude, as well as inspire a lifelong love of reading.

### Learn at Home

<https://classroommagazines.scholastic.com/support/learnathome.html>

Free online lessons for kids ages Pre-K through Junior High.
