Notes will begin to accrue interest immediately upon receipt of subscription by DTC and settlement of funds from you or your broker.

The Notes are qualified to be offered and sold in all fifty states, the District of Columbia, Puerto Rico, and the US Virgin Islands.

For Tennessee Residents Only: Individual investors in TN must have 1. either a gross annual income of at least \$70,000 and a net worth of at least \$70,000, or a net worth of at least \$250,000, and 2. cannot invest more than 10% of their net worth in Community Investment Notes (excluding the investor's primary residence, home furnishings, and automobiles).

For Washington State Residents Only: Individual investors in WA cannot invest more than 10% of their net worth, or joint net worth with that person's spouse or spousal equivalent, in Community Investment Notes. For this purpose, net worth excludes the value of the investors' primary residence and its furnishings, automobiles, and the loans associated with them.

Notes will be sold to you at the selling price specified in this Pricing Supplement. The Purchasing Agent shall purchase notes from us at the selling price less the applicable gross concession. The Purchasing Agent may resell the notes it purchases to the agents and selected dealers at the selling price less a concession that, at the discretion of the Purchasing Agent, may be less than or equal to the gross concession received by the Purchasing Agent. Notes purchased by the agents and selected dealers on behalf of level-fee investment advisory accounts may be sold to such accounts at the selling price less the applicable concession, and such agents and selected dealers shall not retain, as compensation, any portion of such concession.

For investors that would prefer to not hold the Community Investment Note in a brokerage account, it is available directly from Calvert Impact Capital through paper or online application, except in Arkansas where it is only available in a brokerage account.
