

# Transfer Agreement

This Transfer Agreement is entered into between Party I (as specified below) and Party II (as specified below). Klarna and Party I have an existing cooperation subject to the terms and conditions of the Cooperation Agreement which was signed by Party I and by Klarna (the “Agreement”). Party I now wishes to transfer all its rights and obligations under the Agreement whereas Party II wishes to assume these rights and obligations. Party I and Party II may be referred to individually as a “Party” and/or jointly as the “Parties”. The Parties hereby agree as follows:

Subject to the terms of this Transfer Agreement, Party I agrees to transfer all its rights and obligations under the Agreement (including, but not limited to, K-invoices, current debts and claims, ownership of active invoices) to Party II (as specified below), and Party II hereby fully assumes all such rights and obligations as of the Date of Transfer (as specified below). Subject to Klarna’s approval by signing this Transfer Agreement, Party II thereby becomes Klarna’s contractual counterparty to the Agreement.

The Parties acknowledge and agree that any cancellation or termination of the Agreement by Party I (and, as the case may be, any approval thereof by Klarna) prior to the date of this Transfer Agreement shall become ineffective and null and void upon Klarna’s execution of this Transfer Agreement.

This Transfer Agreement and all related documents have been drafted in the English language at the express request of the Parties.

Before we can proceed with the review of your Transfer Agreement, please ensure the following steps are completed:

1. Fill out the entire Transfer Agreement, including all Appendices.
2. If you have printed out the Transfer Agreement, scan every page of the Transfer Agreement into one document/file.
