

Good Health & Well-Being

The investment solution "radicant SDG Impact Solutions - Good Health and Well-Being" aims to promote the Sustainable Development Goal SDG 3. This goal aims to ensure healthy lives and promote well-being for all at all ages.

The selected companies contribute to health and well-being by providing sustainable solutions in areas such as health diagnostics, vaccines, medical research or healthcare infrastructure.

The aging of the world population, the growing awareness of health and the recognition of the importance of infectious diseases should favour this investment trend in the next decade.

KEY FACTS:

- ✓ Makes single SDGs or subsets of them investable, enabling you to select the most promising SDG-related impact themes.
- ✓ Sustainability assessment based on radicant's unique SDG-alignment methodology.
- ✓ Selected companies making a positive contribution to the UN SDGs.
- ✓ Focused on companies providing solutions to real-world problems by their products or services.
- ✓ Multi-stage investment process yielding broadly diversified portfolios with a focus on financial quality based on a dynamic multi-factor model with ~50 key historical performance drivers.
