

This series explores the notions of heritage as they have evolved from European based concepts, mainly associated with architecture and monumental archaeology, to incorporate a broader diversity of cultural forms and value. This includes a critical exploration of the politics of heritage and its categories, such as the contested distinction 'tangible' and 'intangible' heritages; the analysis of the conflicts triggered by competing agendas and interests in the heritage field; and the productive assessment of management measures in the context of Asia.

PUBLISHING YOUR BOOK AT AUP:

- More than twenty years of experience in providing readers with high-quality scholarly publications.
- Full external peer-review of all academic titles and in-house copy-editing by experienced native speakers.
- An extremely efficient, thorough and rapid process from the delivery of the final manuscript to the publication date.
- Global sales and marketing through an extensive international network of distributors and dedicated representatives in all key markets. Important e-platform partners include JSTOR, De Gruyter, Ebrary, and EBSCO.
- Longstanding support in Open Access publishing.
- International scope of authors, book and series editors, and publishers, and an open and creative attitude in acquisitions, sales and marketing.
