

Studies in the History of Knowledge publishes leading volumes that study the history of knowledge in its cultural context. It offers accounts that cut across disciplinary and geographical boundaries, while being sensitive to how institutional circumstances and different scales of time shape the making of knowledge.

PUBLISHING YOUR BOOK AT AUP:

- More than twenty years of experience in publishing high-quality scholarly publications in paper and e-format.
- Full external peer-review and in-house copy-editing by native speakers.
- An extremely efficient, thorough and rapid process from the delivery of the final manuscript to the publication date.
- A highly qualified and professional team, providing a dedicated and individual service.
- Global sales and marketing through an extensive international network of distributors and dedicated representatives in all key markets.
- Partnered with important e-platforms including JSTOR, GOBI, De Gruyter, Project Muse, Proquest and EBSCO.
- International scope of authors, book and series editors, and publishers.
- Longstanding supporter of open access publishing.
