

Sources of Old English and Anglo-Latin Literary Culture

Sources of Old English and Anglo-Latin Literary Culture is a longstanding collaborative project by numerous scholars to map the sources that influenced the literary culture of early England. Taking inspiration from Ogilvy's *Books Known to the English*, it aims at a comprehensive, descriptive list of all authors and works known in England between c. 500 and c. 1100 CE

While the focus is early England, the sources themselves are largely Western European. Most entries concern classical, patristic, and medieval authors, works, or traditions.

Actively Seeking Proposals

The series welcomes scholarly monographs and edited volumes in English, by both established and early-career researchers.
