Written by Nagayama Kaoru, translated by Patrick W. Galbraith and Jessica Bauwens-Sugimoto

Erotic Comics in Japan
An Introduction to Eromanga

Comics and cartoons from Japan, or manga and anime, are an increasingly common feature of visual and popular culture around the world. While it is often observed that these media forms appeal to broad and diverse demographics, including many adults, eroticism continues to unsettle critics and has even triggered legal action in some jurisdictions. It is more urgent than ever to engage in productive discussion, which begins with being informed about content that is still scarcely understood outside small industry and fan circles. Erotic Comics in Japan: An Introduction to Eromanga is the most comprehensive introduction in English to erotic comics in Japan, or eromanga. Divided into three parts, it provides a history of eroticism in Japanese comics and cartoons generally leading to the emergence of eromanga specifically, an overview of seven themes running across works with close analysis of outstanding examples and a window onto ongoing debates surrounding regulation and freedom of expression in Japan.

BIOGRAPHY
Nagayama Kaoru is a manga critic and activist based in Tokyo.

"Nagayama presents a history of the development of erotic manga, and run-down of its many variant niches, sure to prove eye-poppingly illuminating to contemporary scholars."
