Benjamin Tze Ern Ho

China's Political Worldview and Chinese Exceptionalism

International Order and Global Leadership

China's Political Worldview and Chinese Exceptionalism: International Order and Global Leadership uses the notion of "Chinese exceptionalism" as a framework to analyze China's international politics and foreign policy. This book argues that China's approach to international relations is best understood in the context of these claims to exceptionalism and China's broader political world view. In doing so, it fosters a more comprehensive understanding of China's actions within the realms of foreign policy and international politics, and in the context of the preferred world order, norms and rules that the country seeks to promote.

BIOGRAPHY

Benjamin Tze Ern Ho is Assistant Professor at the China Programme, S. Rajaratnam School of International Studies (RSIS), Nanyang Technological University, Singapore. His research focus includes the study of China's international relations, with an emphasis on Chinese political worldview and exceptionalism thinking. Other research interests include security multilateralism in the Asia Pacific region with a focus on regional institutions and fora, national security (intelligence), the sociology of religion and public theology (Christianity).
