

Tijdschrift voor Taalbeheersing

The Dutch-language journal *Tijdschrift voor Taalbeheersing* is a platform for academics to publish research results about the use of language and texts.

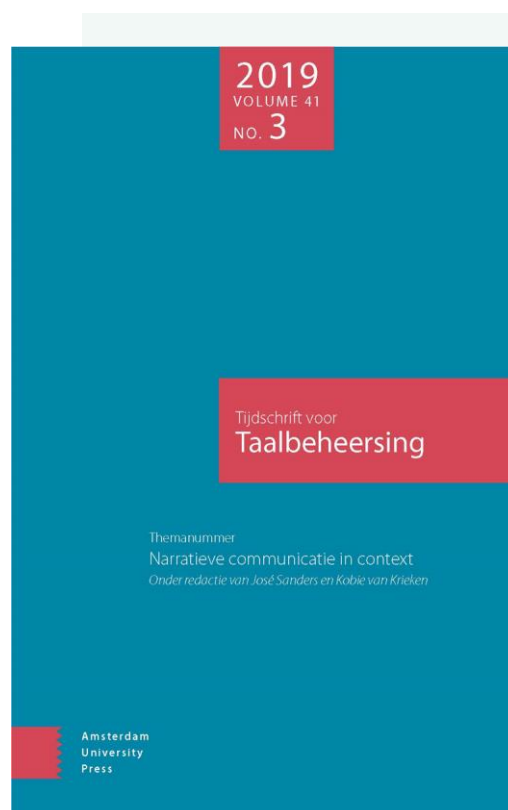

The research focuses on written and oral language skills, on understandable and/or effective language usage, on characteristics of different text genres and on characteristics of texts in communication. Articles are subjected to a peer review process.

Tijdschrift voor Taalbeheersing publishes 3 issues per year.
