Warfare and Politics

Cities and Government in Renaissance Tuscany and Venice

This book brings together a group of prominent contributors to consider the topics of government and warfare in Tuscany and Venice in the Renaissance. The essays cover a remarkably broad geographical and topical range as they analyse the economic, military, political, and diplomatic history of Florence, Rome, Venice, and the Italian peninsula in general through the Renaissance and early modern period.

Dr Humfrey Butters (†) was Emeritus Reader in History at the University of Warwick.

Dr Gaby Neher is Associate Professor in Art History at the University of Nottingham.
