Completed the Learn to Sail course and want to continue to sail? We can now offer you the Learn to Race course so you can continue to learn the awesome skill of sailing. It is not only racing that is taught in this course. There is plenty of fun games and destination sails as well!

For our Learn to Race course, you will need your own Optimist sailing dinghy.

### 2019/2020 Season Dates

Our Junior Learn to Race program is held on Sunday mornings from 8.30am until approx 12pm, over 7 weeks.

#### **Junior Learn to Race**

Start Date            9<sup>th</sup> February  
Finish Date           29<sup>th</sup> March

### Family Support

As a club, we rely on support from the sailors family for launching and retrieving of our RHIBs as well as the children in their optimists. We also require assistance for the running of our BBQ on the Sundays to provide our sailors and support crew with a lunch option (there is a minimal cost for lunch).

For safety reasons, we require the sailors parent or guardian to remain on site at the club while the children are on the Learn to Race program.

### Fees

Tuition Fees for our Learn to Race course are \$100

- *You must provide your own optimist for our Learn to Race course*
- *Sailor must be a member of Maraetai Sailing Club – not included in the above fee*
