5. ELIGIBILITY AND ENTRY

5.1. For the Optimist Green Fleet:

The 'Optimist Green Fleet' is open to less experienced Optimist Class sailors. The emphasis is on fun and the objective of this regatta is to offer younger siblings and less experienced sailors the opportunity to sail and participate without their feeling the need or burden to sail in the more competitive Open fleet. In the Optimist Green Fleet equipment used is not required to hold current measurement certificates (alters International Optimist Class Rule 2.4.1) but all hulls shall carry valid World Sailing plaques.

The objective of this regatta is to offer less experienced sailors the opportunity to sail in a Green Fleet regatta at the same venue as an Optimist Open Fleet regatta.

It is unlikely that Optimist Green Fleet sailors will have sailed in an Optimist Open Fleet regatta of more than 40 boats.

It is expected that Optimist Green Fleet Sailors will:

- be 12 years and under;
- have sailed for less than 2 seasons;
- have not previously raced outside of green fleet except at regattas where no green fleet racing was offered.
- on achieving a podium finish in an NZIODA ranking regatta green fleet or the Sir Peter Blake Torbay regatta, or three or more podium finishes in other green fleet regattas the sailor shall advance to the open fleet.
- Regatta officials should refuse an entry from a sailor who they believe should be entered in the "Open" fleet racing

5.2. For the Optimist Open Fleet:

Entry is open to all boats of the Optimist class that have all valid measurement certificates and have passed the regatta registration.

This regatta incorporates the New Zealand representative selection trials. The Trials are open only to New Zealand Nationals or Residents in New Zealand. To be able to compete in the Trials each entrant shall be:

- a) A financial member of NZIODA.
- b) A financial member of a yacht club affiliated to YNZ.
- c) Eligible for a NZIODA representative team.

Each boat and her equipment shall have a valid measuring certificate at registration and in addition, measurement checks will be made to check compliance with class rules and the Yachting New Zealand Safety Regulations.

5.3. For All Optimist Fleets

To be eligible to compete each competitor shall be:

A member of NZIODA or of the national optimist association in their country of residence, and
A financial member of a club recognised by Yachting New Zealand or of a club recognised by their national authority in their country of residence.

The regatta is open to all competitors born in the year 2005 or later.

- a) They are aware of the inherent element of risk involved in the sport and accept responsibility for the exposure of themselves and their boat to such inherent risk whilst taking part in the event;
- b) They are responsible for the safety of themselves, their boat and their other property whether afloat or ashore;
- c) They accept responsibility for any injury, damage or loss to the extent caused by their own actions or omission;
- d) Their boat is in good order, equipped to sail in the event and they are fit to participate;
- e) The provision of a race management team, patrol boats and other officials and volunteers by the event organiser does not relieve them of their own responsibilities;
- f) The provision of patrol boat cover is limited to such assistance, particularly in extreme weather conditions, as can be practically provided in the circumstances.
