

Hi [Client Name],

Have you considered how much time you spend on bill pay processes? Whether it's chasing down paperwork, reconciling accounts, or stressing about how your cash flow is managed, manual accounting processes could be hindering the growth of your business.

**Our Client Accounting Services using Bill.com will help you:**

Gain the simplicity and control you want with an intelligent and paperless payments platform that saves you time and money

Bring more flexibility to your bill management process with multiple payment options—so you can securely pay domestic and international vendors how they want to be paid

Enjoy a streamlined experience that's the simplest, most secure way to manage your bill payments—customers consistently rate the experience highest for “ease of use”

If you're striving for growth but feel like you're stuck doing things the old-fashioned way, and you want to be more strategic to take your business where it needs to go, talk to us about our accounting services with Bill.com.
