

Hi [Client Name],

Whether it's IT expertise or organizing employee benefits, the trend of outsourcing processes is how business gets done. It helps us stay efficient, flexible, and able to spend time on the parts of our businesses where it matters most.

Bill.com's 2018 Client Accounting Services (CAS) Survey shows that successful companies are leveraging CAS to grow their business. Survey respondents say that outsourcing accounting tasks help them make better business decisions and opens the door for better ROI. Here's what else they have to say about using CAS and Bill.com:

80%

it affords them more time to focus on their business

68%

it makes accounting easier and more efficient

53%

they worry less about mistakes

With our team on board, you'll have more flexibility, control, and peace of mind so that you can take your business where you want it to go. Why spend time on wrestling with your bill management? You've got better things to do.
