

Iodosorb®

Iodosorb® absorbs wound drainage and decreases the bacteria in the wound.

Iodosorb® comes as a gel or pad (Iodoflex®).

Wound Care Instructions

- Wash wound with soap and water.
- Rinse well.
- Pat dry.
- Apply 1/8" Iodosorb® gel or Iodoflex® pad onto the wound bed.
- Cover the wound with dry gauze.

Change the dressing and gel or pad every 3 days or when the gel turns from brownish/orange to yellow/gray.

Signs of Infection

Please call the Burn and Wound Clinic if you have any of these signs or symptoms:

- Increased redness (over 1 inch in width) and swelling.
- Foul smelling drainage or pus around the wound..
- Flu-like symptoms (fever more than 101.5 F, chills, nausea or vomiting, muscle aches).
- Increased pain.
