### **Who to Call**

In an emergency, please go to the nearest emergency room or call **911**.

If you have any questions or concerns, please call your doctor.

UW Health

Radiology Department

(Monday – Friday, 8:00 am – 8:00 pm)

**(608) 263-9729**

State your name, the exam you had, and where it was done so the receptionist can connect you with the right person.

After hours, weekends, and holidays, call **(608) 262-0486**. This is the hospital operator. Ask for the Radiology Resident on call. Leave your name and phone number with the area code. The doctor will call you back.

Toll free: **1-800-323-8942**.

If your procedure was done at Swedish American Hospital in Rockford, call the Emergency Department:  
**(779) 696-4836**.

If you are a patient receiving care at UnityPoint – Meriter, Swedish American or a health system outside of UW Health, please use the phone numbers provided in your discharge instructions for any questions or concerns.

Your health care team may have given you this information as part of your care. If so, please use it and call if you have any questions. If this information was not given to you as part of your care, please check with your doctor. This is not medical advice. This is not to be used for diagnosis or treatment of any medical condition. Because each person's health needs are different, you should talk with your doctor or others on your health care team when using this information. If you have an emergency, please call 911.
