

Pret's Allergen Guide

GB Pret Shops

We prepare our fresh food and Barista-made drinks in our shops every day. We use many ingredients and shared equipment, and whilst we do our best to manage allergens we cannot guarantee that any of our food or Barista-made drinks are allergen-free or suitable for those with allergies due to the risk of cross-contact. Our vegan food is made to a vegan recipe, but is not suitable for those with milk or egg allergies.

Introduction

Here you'll find a list of all Pret products sold in our shops (for branded products please review the individual product), with allergens listed along the top of the page for easy reference. If a product contains one of these ingredients, then you will find a tick in the corresponding box.

While the products in this guide may not contain a specific allergen, we can't guarantee that any of our food is completely free from any allergen.

Please remember to check our guide and the ingredient label regularly as recipes do change from time to time - the last thing we want is for anyone being caught out by a new take on an old favourite, recipes can differ shop to shop.

Where a product contains **"Cereals containing Gluten"** or **"Nuts"**, you will find a specific ingredient listed, for example **"Wheat"** or **"Cashews"**.

We prepare our fresh food and Barista-made drinks in our shops every day. We use many ingredients and shared equipment, and whilst we do our best to manage allergens we cannot guarantee that any of our food or Barista-made drinks are allergen-free or suitable for those with allergies due to the risk of cross-contact. Our vegan food is made to a vegan recipe, but is not suitable for those with milk or egg allergies.

In line with recommendations from The Vegan Society, we are using the term **"Vegan-friendly"** to label products that are made to a vegan recipe, but may not be made in dedicated vegan sites. In these sites we have as many steps as possible to reduce the risk of cross-contact.

For delivery orders:

We cannot guarantee your meal will not come into contact with other allergens during delivery. Couriers may transport other Pret orders or orders from other businesses along with your Pret order.

The Food Standards Agency regards the following ingredients and their derivatives as allergens:

Peanuts	Tree Nuts
Sesame	Cereals containing Gluten
Crustaceans	Celery & Celeriac
Egg	Fish
Lupin	Milk
Mustard	Mollusc
Soya	Sulphites

In addition we also declare Pine Nuts as an allergen.

If you are interested in an ingredient outside the 14 listed above, please look at the ingredient list on the website or the label on the individual product.

If you have any trouble finding what you are looking for **please ask the Manager**, they will be more than happy to help.

We understand that no matter how detailed our guide is, there may be times when it can't answer the questions you may have. If you need to know more, please do visit our website at www.pret.co.uk or contact our Customer Service Team on **0207 827 8801**.

This allergen guide only covers food and drink sold in our GB Pret Shops.
