

We can't guarantee any of our products are suitable for those with allergies due to a high risk of cross contamination. Our vegan products are made to a vegan recipe but are not suitable for those with dairy and egg allergies.

Inside you'll find a list of all of the products sold in our shops, with allergens listed along the top of the page for easy reference. If a product contains one of these ingredients, then you will find a tick in the corresponding box. Where a product contains 'Cereals Containing Gluten' and 'Nuts', you'll find specific ingredients listed (e.g., wheat, rye, oats). If you have any trouble finding what you're looking for, just ask the Manager – they'll be more than happy to help.

Please remember to check our guide regularly as recipes do change from time to time – the last thing we want is for anyone being caught out by a new take on an old favourite.

We understand that no matter how detailed our guide is, there may be times when it can't answer the questions you may have. If you need to know more, please do *visit our website* at www.pret.com or contact our Customer Service Team on 0345 450 0222.

In this guide, we are able to advise you on the presence of the following allergens in our food:

Eggs, Milk, Fish, Crustaceans (like crayfish), Molluscs (like mussels, oysters & squid), Tree Nuts, Sesame, Cereals Containing Gluten (these are wheat, rye and barley), Soya, Celery & Celeriac, Mustard, Sulphur Dioxide and Sulphites.

This Allergen Guide only covers food and drink sold in our UK shops.
