Pret's *Ingredient* List

This ingredient list only covers food and drink sold in our UK shops.

We can't guarantee any of our products are suitable for those with allergies due to a high risk of cross contamination. Our vegan products are made to a vegan recipe but are not suitable for those with dairy and egg allergies. Please take care.

Our kitchens are very busy places that handle allergens and that means we *can't guarantee* our food is suitable for those with allergies.

We know that many of our customers would like to understand more about our food & drink, especially if they are avoiding specific ingredients.

To make things easier, we've put together this *handy list* of all the ingredients used in Pret's food and drinks. Inside you'll find all of the products sold in our shops, with ingredients listed for easy reference. If you have any trouble finding what you're looking for, just *ask the Manager* in the shop – they'll be more than happy to help.

Please remember to check our ingredient guide regularly as recipes do change from time to time – the last thing we want is for anyone being caught out by a new take on an old favourite.

We understand that no matter how detailed our guide is, there may be times when it can't answer the questions you may have. If you need to know more, please do *visit our website* at www.pret.co.uk or contact our Customer Service Team on 0345 450 0222.
