

Our Menu

Pret operates a bit like a restaurant. We build kitchens in (or very near) every shop and our ingredients get delivered early each morning.

You won't find 'sell-by' dates on our fresh sandwiches, salads or baguettes.

Allergies?

Our food is freshly prepared in small, busy kitchens (not a big factory with segregated production lines) so we really cannot guarantee any of our food is allergen-free. Please take care. If you need to know more, please get in touch with our Customer Service team who will be happy to help.
