Guide

New Year Launch 2021 - 4th January

We can't guarantee any of our products are suitable for those with allergies due to a high risk of cross contamination. Our vegan products are made to a vegan recipe but are not suitable for those with dairy and egg allergies.

Inside you'll find a list of all of the products sold in our shops, with allergens listed along the top of the page for easy reference. If a product contains one of these ingredients, then you will find a tick in the corresponding box. Where a product contains 'Cereals Containing Gluten', you'll find specific ingredients listed (e.g., wheat, rye, oats). If you have any trouble finding what you're looking for, just *ask the Manager*— they'll be more than happy to help.

*Please remember* to check our guide regularly as recipes do change from time to time – the last thing we want is for anyone being caught out by a new take on an old favourite.

We understand that no matter how detailed our guide is, there may be times when it can't answer the questions you may have. If you need to know more, please do *visit our website* at [www.pret.hk](http://www.pret.hk) or contact our Customer Service Team on **2520 0445**.

**In this guide, we are able to advise you on the presence of the following allergens in our food:**

Peanuts, Tree Nuts, Crustaceans (like crayfish and crab), Milk, Eggs, Cereals Containing Gluten (these are wheat, rye and barley), Fish, Soyabeans, Sulphite in a concentration of 10 parts per million or more.

This Allergen Guide only covers food and drink sold in our HK shops.
