

Our Menu

Pret operates a bit like a restaurant. We build kitchens in (or very near) every shop and our ingredients get delivered early each morning.

You won't find 'sell-by' dates on our fresh sandwiches, salads or baguettes.

Allergies?

We're proud to freshly prepare our food in our shop kitchens every day, but as we use many ingredients and shared equipment, we are unable to guarantee that our food is allergen free due to the risk of cross-contact. Our vegan food is made to a vegan recipe but is not suitable for those with milk or egg allergies. Our Allergen Guide contains a list of all the products we sell in our shops. You will also find the declarable allergens listed on the product shelf tickets in our shops. If you need to know more, please get in touch with our Customer Service team who will be happy to help.

Please refer to our "Allergen Guide" for allergen information & "Nutritional Guide" for nutritional information.
